

Meet your teacher

Israel Candia 

Every lesson is based on the Fluidido Curriculum — complete and carefully structured program available on curriculum.fluidospanish.com

iHola!

I'm Israel. I started out teaching English and Portuguese to children, and discovered my gift for teaching Spanish while working with foreign students abroad. I build every lesson around what genuinely interests each student, making even tricky grammar feel a lot less tedious.

2013

The year I started teaching languages — I joined Fluidido Spanish School in February 2026

My teaching style

I'm patient with the process

I'm empathetic, and my lessons are student-led

I'm practical — I connect the new language to what you know

I enjoy teaching

What to expect

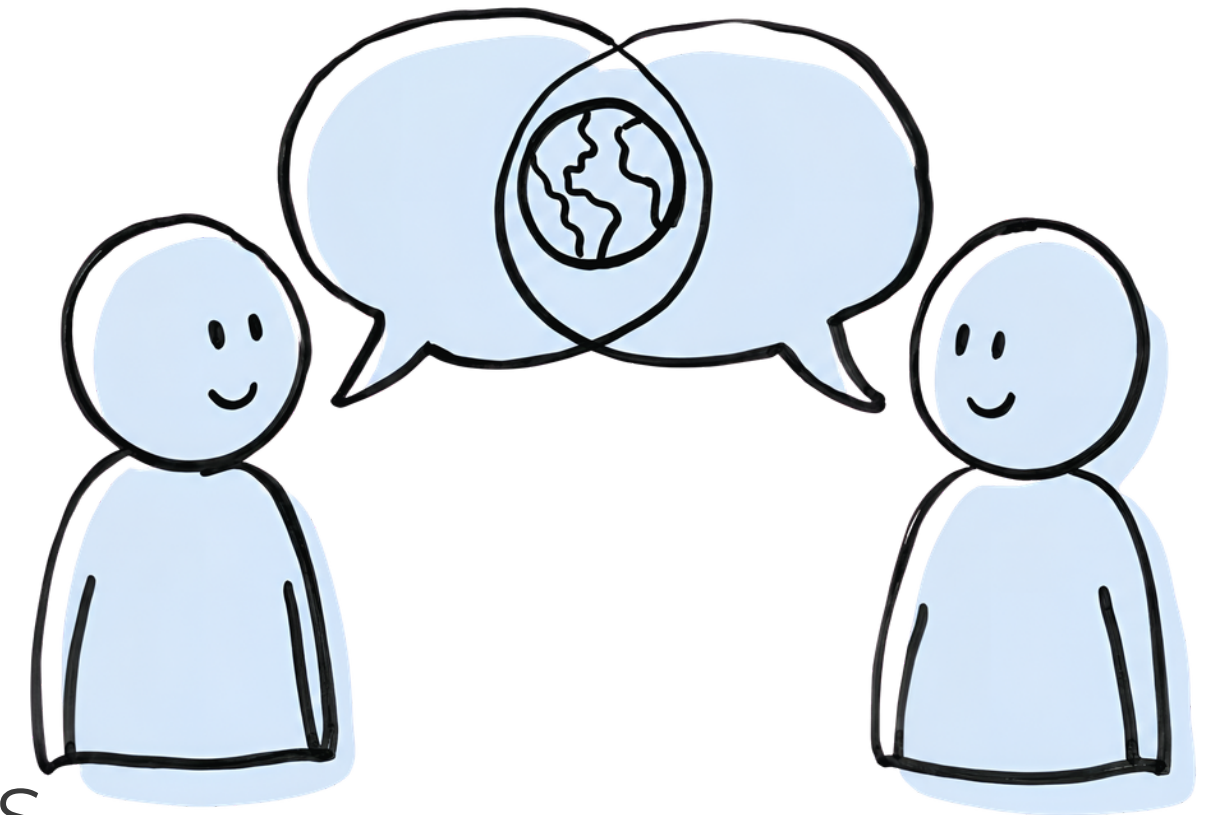

I build lessons around your interests

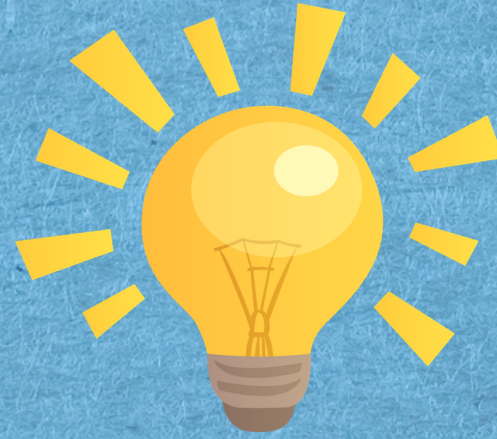

I make grammar feel less tedious

I'll share stories from Paraguay, Brazil & the US

*“I invite you to enjoy one of the best
journeys you can take, learning a new
language.”*
